

NOW HIRING

At Andrews Federal Credit Union, member service is not a catch phrase, but a culture that infuses our organization and distinguishes us from other financial institutions. We have great staff members who are creating and building a thriving organization in an ever-changing world. We invite qualified customer service driven individuals who possess the ability to WOW our membership to explore our employment opportunities.

Individuals with one year of teller experience within a financial institution or cash handling experience that would have included balancing responsibility will be considered. Excellent customer service, interpersonal and verbal communication skills are a must. Hours are TBD but will include some Saturday hours (approx. 20-40 hours per week).

The salary for these positions will be commensurate with experience. Andrews Federal offers part time employees paid vacation and the opportunity to participate in our 401(k) plan.
