

# Survivor Outreach Services AFAP Issue Form

The Army Family Action Plan (AFAP) is a forum held Army-wide to identify quality of life issues impacting members of the Total Army Family (i.e. Soldiers, Civilians, Retirees, Family Members and Survivors). A special AFAP midlevel forum is held once a year to identify and address issues that impact the Survivor community directly.

We invite you to submit an issue using the below AFAP issue format. Issues are collected year-round and, once received, will be presented at the next AFAP Survivor Outreach Services midlevel forum.

**TITLE:** (What is the problem? A few words summarizing the problem or concern)

**SCOPE:** (Why is it a problem? Describe one specific problem of concern in a paragraph form. Reference any laws and/or policies impacting the issue)
