

Overseas Housing Allowance Survey

Submitted by R. Ries, USARMY USAREUR

Heidelberg, Germany - Due to low participation rates of 25%, the Defense Travel Management Office has extended the Overseas Housing Allowance (OHA) Utility and Move-in Expense survey until 15 Apr 13. We need Service Members to respond to the survey in order for it to be valid. Don't miss this opportunity to have a direct impact on the amount of OHA you receive monthly. Last year's survey resulted in a \$60.00 a month increase. The survey is open to all Service Members (Army, Air Force, Marines, Navy and Coast Guard) who reside in off-post economy housing in Germany. Spouses may take the survey in the absence of the Service Member. Please go to the link below to take the survey:
