SUMMARY: The USAG Ansbach Religious Support Office hosted a 3-hour Relationship Enhancement event for 64 participants, called “2 Left Feet,” on 7 February 2016. This dining and dancing event consisted of an hour of dance instruction provided by Frank Phillips, followed by a buffet meal at the restaurant and pizzeria Rezastuben. A relationship seminar was presented by CH (MAJ) Sutherland during the meal after which there was more dancing and the opportunity to have a photo taken of the participants. Those attending the event were able to work on their relationships while building their skills together with dance.
