Summary: On 18 DEC 2014, 1^{of} 214th CH (CPT) David Ruderman conducted a celebration of the Jewish holiday Hanukah at Clay Kaserne Chapel. Hanukah commemorates the Israeli rebellion against a tyrannical Greek regime, the re dedication of the Temple in Jerusalem, as well as the victory of freedom over the forces of oppression. Today the Menorah is lit in public places in order to publicize God's miracles. The feast and celebration reinforce the lesson that a warrior who knows what he is fighting for is a force to be reckoned with.
