

# Youth of the Chapel: MS Service Project

**Summary:** On 4-5, 12 and 26 March a total of 18 middle school students and 5 leaders from the Baumholder and Rheinland-Pfalz Military Communities performed 172 accumulative service hours in the local community. This included volunteer work at the Ramstein Airman's Attic, with a local German national, and to prepare the Miesau mini-golf course for the YOC Adventure Camp. Through teaching and interactive learning experiences, the students learned about the impact they have on the community and how it shapes their faith in God.
