

Religious Support Operations: Partners in Ministry

USAG Wiesbaden RSO conducted a Parent and Teen Seminar on Saturday, March 7, at Hainerberg Chapel titled “All in the Family.” The seminar focused on developing stronger, positive family relationships, which enhances resiliency. The seminar was co-conducted by Dr. JoLynda Strandberg, DRE, and Mr. Terence Petoske, Youth of the Chapel (YOC) Community Director. Attendees utilized two personality tools, the Myers Briggs Type Indicator® and the 5 Love Languages, to discover their own personality preferences and to encourage a deeper understanding of one another. The strong partnership between the RSO and YOC staff offered a quality enhancing program to the community of Wiesbaden.
