

Caserma Ederle Chapel Preps for the Holidays

On Thursday 18 November participants from four USAG Italy (Caserma Ederle) Catholic and Protestant Chapel congregations gathered for a Family Advent Wreath Workshop. DRE, Ms. Debby McSwain, led a talk on Advent, the traditions, the season, the meaning, the symbols and the colors. Talk was followed by all ages joining together to create Advent Wreaths for use in family homes. This was a first-time experience for many participants who expressed excitement about ushering in the holidays with this special wreath that marks the coming of Christmas with candle lighting, readings and prayers.
