

Jewish New Year Services and Events

Summary: The USAG-Bavaria Religious Support Office mobilized Army Reservist Chaplain (MAJ) Andrew Shulman 1-10 OCT in support of the Garrison's Rosh Hashana Jewish New Year celebration.

Over 80 traditional kosher meals were served at various events at Tower Barracks, Hohenfels and Garmisch, including the blowing of the "shofar" – the ram's horn – heralding in the year 5777 from Creation, as well as the annual "Tashlich" ritual at Grafenwoehr Pond, a ceremonial "casting off of the year's sins" into the fresh waters of the lake.
