3. New Business:

a. Mr. Barber welcomed all attendees to our first meeting in 2007. Wishing them all the best and to be prepared for many changes taking place in our Wuerzburg Military Community.

b. Mr. Scott Hamilton (RSO) updated us on the latest changes taking place in the Wuerzburg area. In June 2007 our "ETG" (European Regional Transformation Group) formerly (USAG Franconia) will dissolve. All Military Logistics Support will relocate to Schweinfurt. (Would recommend that you retirees and widows travel to Schweinfurt now and locate facilities that you will want to utilize, i.e., MP Customs, Legal Office, ID/Passport section, etc.). In conjunction with this move we will also lose our RSO here in Wuerzburg. At our next meeting Mr. Hamilton will further update us on what support we can expect from the RSO in Schweinfurt. Leighton Barracks Wuerzburg will still remain open until the Summer of 2008. Expect PX, Commissary and other facilities to downsize, as was done in Kitzingen.

c. Attention all recipients of these Minutes! For many of you this will be the last Minutes that you will receive. If you do not reside in the Wuerzburg or Schweinfurt area you will no longer receive our Minutes. Please check the RSO (Retirement Service Officers) list,

located in the USAREUR Retiree Bulletin and coordinate with the appropriate RSO/ Retiree Council in your area. As our Council will most likely be a Sub-Council of Schweinfurt, we as a Council, will no longer be able to support you properly.
